

Brother Editor, A Word With You, Please.

Pickens County is coming to the forefront, and wants the world to know of her possibilities and varied resources, so she will hold a Fair at Pickens C. H., Sept. 22-24, to which you and all of your subscribers are cordially invited to attend. Come, behold the glories of our dominion, and stay with us. "Join Gideon's Band"—take up thy abode in a land flowing with milk and honey—a land good to look upon.

The Pickens County Poultry Association will hold its Third Annual Show in connection with the Pickens County Fair—Sept. 22-24. It asks all raisers of thoroughbred poultry to exhibit with them. Valuable prizes and cash premiums will be offered. Write Dr. J. N. Hallum, Secretary, Pickens, S. C., for premium list.

It will be a comparison show, F. J. Marshall, judge.

Will you please convey this information to your readers, especially the "poultry cranks", tell them what we are going to do and urge them to exhibit and attend the Pickens County Agricultural Fair and Poultry Show.

PICKENS, S. C.:

THURSDAY AUGUST 19, 1909.

A Fair Proposition.

This is an antithesis, in a sense, because it is a proposition to hold a Fair in Pickens Sept. 22-24, and we ask every reader of this paper, every citizen of the county, to get very busy and "make hay while the sun shines." There is scarcely five weeks in which to do what has to be done, so it behooves every man, woman and child to get busy and stay busy until the Fair is pulled off.

Many of the people who have been taking a vacation have been eliminated, and now the time for work is at hand.

All hands and the cook must work and work hard and fast. The sluggard will have to get out of the way and make room for the hustler.

The headquarters of the fair association is a veritable beehive; orders are being issued to the chairmen of the various committees, who in turn see that they are promptly executed. Each committee sees to it that the work laid out is quickly and carefully executed and there will be no hitches along this line.

The thing we want to impress upon our readers is the fact that the time is short and anything you are asked to do should be done now. Don't put it off.

On the ready and willing help of the people depends the success of the show.

If you are asked to contribute money to defray expenses or to make up a premium, or to place an exhibit of some kind, do so with cheerfulness. In this way we will get all the help and assistance needed and pull off a successful and creditable fair.

We shall not write along this line again, and if you do not act, we will take it for granted that Pickens county people do not care to progress and advance.

Every indication now points to a better fair than last year and the right amount of push and energy spent, now, at the right time, and in the right direction, assures success.

The Poultry association has been asked to join the fair and make their exhibit at this time. They have availed themselves of this opportunity and will make a most creditable exhibit. The various committees of the poultry association are now busily engaged preparing a premium list and are meeting with great success.

They also have the promise of help from many people, not only in this county, but elsewhere, and they expect the large exhibition of birds ever seen here.

The premium list, not only of the fair association, but of the

poultry show, as well, is an excellent one and consists in large part of cash prizes, while other handsome premiums will be given—such as a 2-horse wagon, harness, buggy poles, Studebaker, jr., wagon, guano, silverware, shot guns, etc. In one instance a prize of \$50 in gold is offered. Prizes amounting to over \$100 in money will be offered by the poultry show, besides other trophies.

You cannot help but compete and take part in the greatest fair ever held in South Carolina. Here's to the success of the Pickens County Fair.

Resolutions of Respect.

Whereas, it has pleased Almighty God to remove from our midst our beloved brother, Maj. D. F. Bradley.

Therefore, be it resolved: First, that we bow in humble submission in the presence of that Providence which has severed the golden chain of fraternal love which bound us to him by ties which nothing but death could sever.

Second, That in his death Keowee Lodge has lost one of its members, and that we

have been called from labor in the earthly temple to rest and refreshment in that temple not made with hands eternal in the Heavens.

Third, That Keowee Lodge hereby tenders its most cordial sympathy to the bereaved widow and relations and commend the record of his exalted character to the emulation of all true Masons.

Fourth, That a copy of these resolutions be suitably engrossed and presented to his family in testimony of the high esteem in which he was held by the officers and members of this Lodge.

Fifth, That a page in our minute book be inscribed to his memory, and that a copy of these resolutions be sent to the county papers for publication.
